

NOBLE FARMS COMMERCE

YOU BUY

You can buy from our farms, via our offices. We have on stock live sheep, lamb or mutton meat and wool. Our virtual farming strategy is geared towards you partnering with us. It's like you buying shares and you getting dividends from every sale we make. All at an affordable price.

WE SELL

We supply both Lamb and Mutton to abattoirs, hotels, restaurants, retailers, butcheries, meat processors and individuals. Wool is supplied to local wool processing plants in South Africa.

EARN MONEY

YOU EARN

Select from our range of Virtual Farming Packages, each offering the opportunity for consistent earnings. With a single purchase, you can receive returns either bi-weekly over a period of five months or monthly for six months. This one-time payment guarantees timely dividends, paid directly in cash or deposited into your account, ensuring a hassle-free experience.

ABOUT US

Noble Farms stands at the forefront of the agriculture industry as a premier producer and distributor, specializing in two primary products derived from sheep farming: sheep meat and wool. Our extensive experience, honed skills, and deep knowledge have propelled our growth, which we view not just as success, but as a blessing. This perspective inspires our commitment to giving back, a principle embodied in our innovative Virtual Farms Hub.

HOW TO BE INVOLVED?

Buy livestock from our farms via our office's

Farming Hub

Sheep meat has 2 categories: lamb and mutton. Lamb is sheep meat from a sheep less than 1 year old, while mutton is from a sheep greater than 1 years old. There is high demand of lamb & mutton in SADC.

Sales Hub

We supply both Lamb and Mutton to abattoirs, hotels, restaurants, retailers, butcheries, meat processors and individuals. Sheep wool is sold locally in South Africa.

Virtual Farming

We have made it easy for you to farm and make earnings through buying stock, we sell it for you and you earn.

It's a simple process of Buying, Selling and Earning that we have developed and are proud to invite more people to benefit from it. Working together to progress through Agriculture.
